1. Please refer to the Deposit Account Agreement to learn more about the bank's overdraft practices and services.
2. **Variable interest rate:** Your interest rate and annual percentage yield (APY) may change at our discretion at any time without notice. The APY assumes that interest paid remains in the account. A withdrawal will reduce earnings. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in your account each day. See your Deposit Account Agreement for more information on how interest is calculated using the "daily balance method."
